CEFLA DENTAL HOSES

The dental hoses for Tecnomed Italia dental units are made of silicone; they are Latex Free and are manufactured under the UNI CEI EN ISO 13485:2016 quality management system.
The chemically stable gold-plated contacts ensure high electrical conductivity and maximum handpiece performance.
The supply tubes comply with Regulation (EU) No. 10/2011, as amended, on plastic materials and articles intended to come into contact with food, and the exhaust tubes are resistant to lubrication oils.
Tecnomed Italia dental hoses are supplied as spare parts pursuant to Article 23(1) of Regulation (EU) 2017/745 (MDR), intended to replace identical or similar parts of dental units without changing their performance or safety characteristics. The materials used also comply with the hazardous substance restrictions set out in Directive 2011/65/EU (RoHS), as amended.

A complete range of dental hoses:
- Turbines
- Micromotors
- Scalers
- Syringes
- Freely Adaptable Dental Hoses

Features

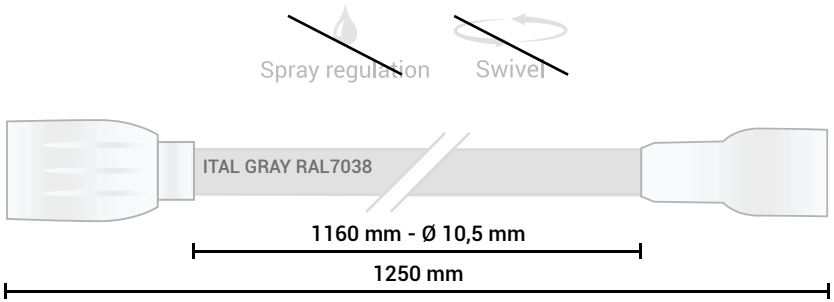

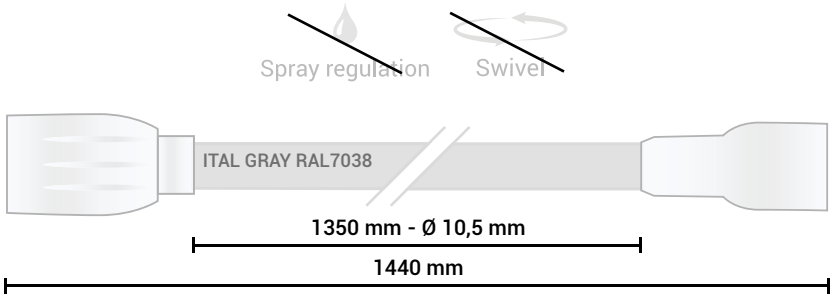

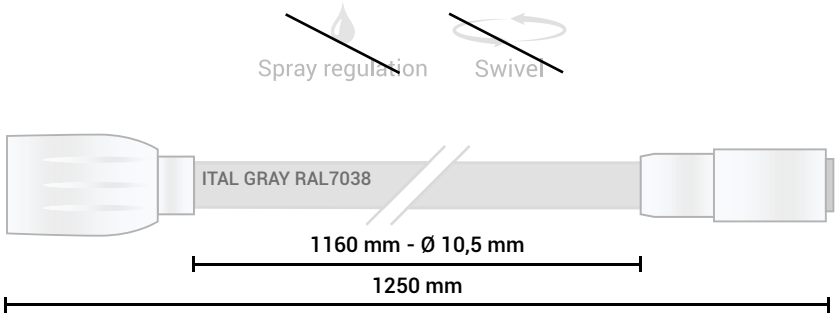

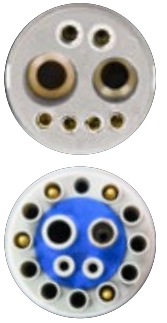

- **High quality silicone sheath.**
- **Latex free.**
- **12 months warranty**

Technical data

Maximum pressure supply/return air	**4,5 bar / 65 psi**
Maximum pressure air/water spray	**4 bar / 58 psi**
Tensile strenght	**70N**

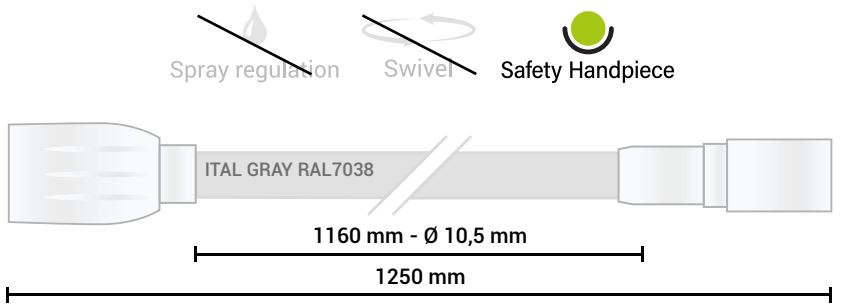

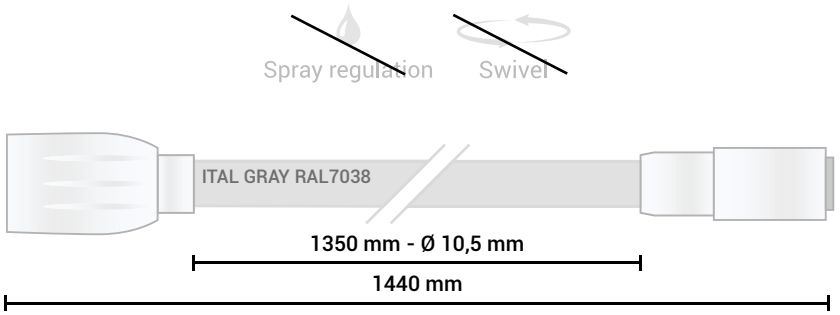

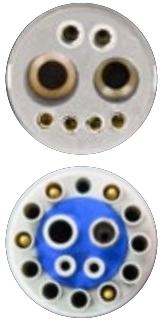

The dental handpiece hoses featured in this catalogue are compatible replacement products. Any original part numbers mentioned are provided for reference purposes only, to assist in identifying the appropriate compatible replacement hose. All trademarks mentioned are the property of their respective owners and are used solely for identification purposes, to indicate the equipment with which the products are compatible and to facilitate product identification.The owners of the trademarks mentioned are not affiliated, associated or otherwise connected with the compatible products marketed by Tecnomed Italia Srl.

KAVO DENTAL HOSES

The dental hoses for Tecnomed Italia dental units are made of silicone; they are Latex Free and are manufactured under the UNI CEI EN ISO 13485:2016 quality management system.
The chemically stable gold-plated contacts ensure high electrical conductivity and maximum handpiece performance.
The supply tubes comply with Regulation (EU) No. 10/2011, as amended, on plastic materials and articles intended to come into contact with food, and the exhaust tubes are resistant to lubrication oils.
Tecnomed Italia dental hoses are supplied as spare parts pursuant to Article 23(1) of Regulation (EU) 2017/745 (MDR), intended to replace identical or similar parts of dental units without changing their performance or safety characteristics. The materials used also comply with the hazardous substance restrictions set out in Directive 2011/65/EU (RoHS), as amended.

A complete range of dental hoses:
- Turbines
- Micromotors
- Scalers
- Syringes
- Freely Adaptable Dental Hoses

Features

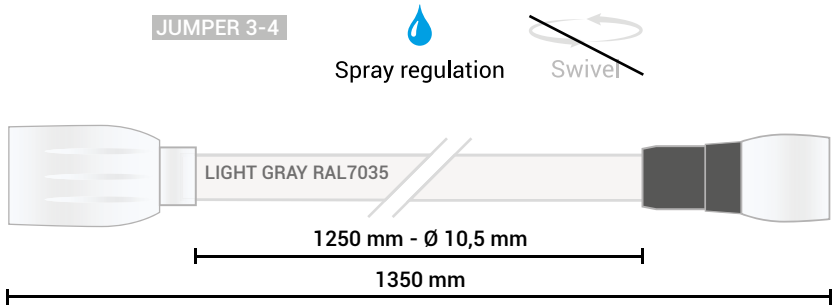

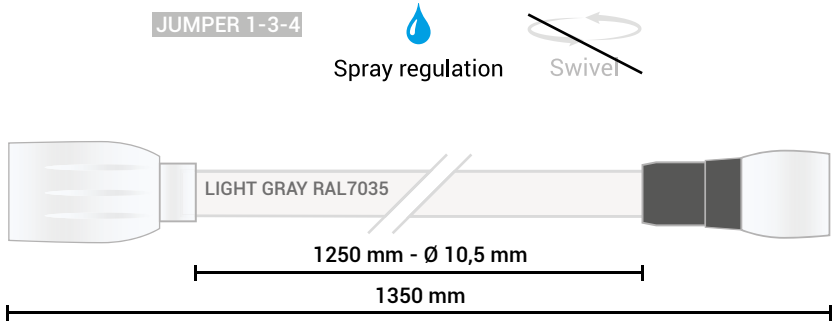

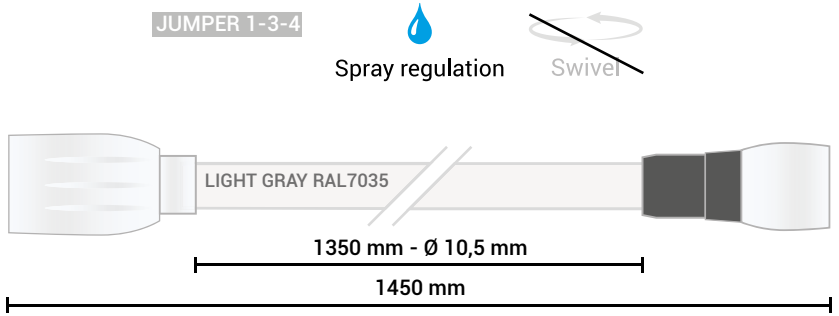

- **High quality silicone sheath.**
- **Latex free.**
- **12 months warranty**

Technical data

Maximum pressure supply/return air	**4,5 bar / 65 psi**
Maximum pressure air/water spray	**4 bar / 58 psi**
Tensile strenght	**70N**

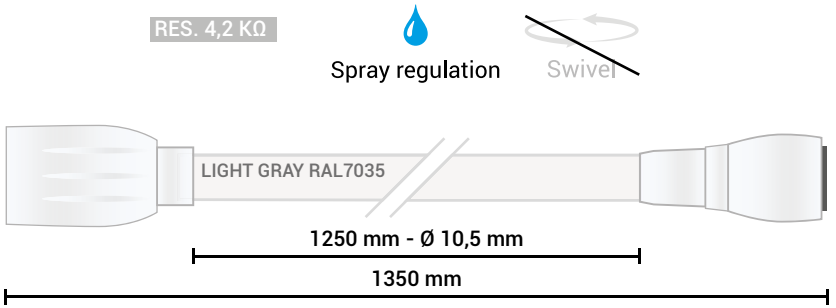

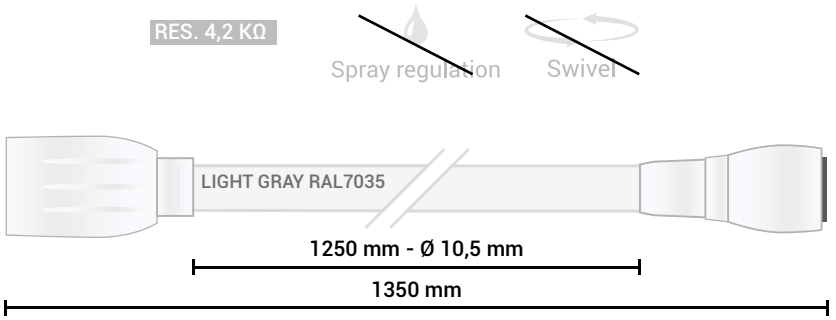

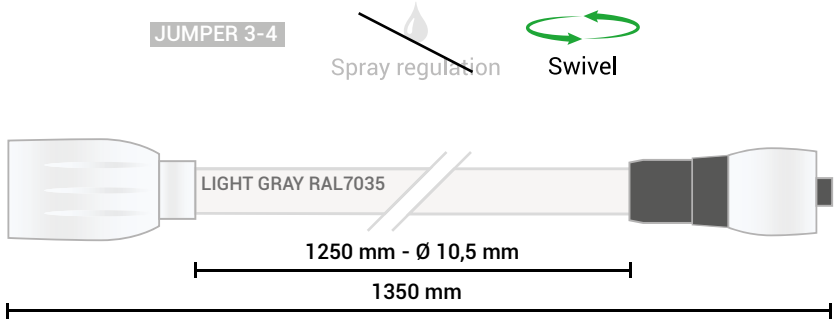

The dental handpiece hoses featured in this catalogue are compatible replacement products. Any original part numbers mentioned are provided for reference purposes only, to assist in identifying the appropriate compatible replacement hose.
